The Autism Society of Southern Arizona
2600 N. Wyatt Drive
Tucson, AZ 85712

Dear Southern Arizona Autism Community,

Thank you.

Because of you—your support, your presence, and your willingness to show up for one another—our community continues to grow stronger, more connected, and more inclusive. Your engagement in our programs and services is what brings our mission to life. Every group attended, every conversation shared, and every moment of connection helps build a community where no one feels alone.

As we move forward this year, we remain deeply committed to expanding that sense of belonging. Together, we are not only supporting Autistic individuals and their families—we are building a broader movement. One that calls on allies to step forward, to listen, to learn, and to actively stand alongside the Autism community as advocates and champions for inclusion.

Please remember we are here for you. Whether you are seeking resources, guidance, or simply a place to connect and feel understood, our doors are always open. We are proud to be a trusted resource and a welcoming space where you can turn for support, community, and connection whenever you need it.

We envision a Southern Arizona where everyone is valued, supported, and included—where differences are not just accepted, but celebrated. This vision is only possible because of the collective strength of this community.

Autistics and Allies are unstoppable together.

We invite you to continue this journey with us, starting with the incredible resources included in this guide. These tools are here to empower you, deepen connections, and strengthen our shared impact. Thank you for being part of this community, and for helping create a future where everyone belongs.

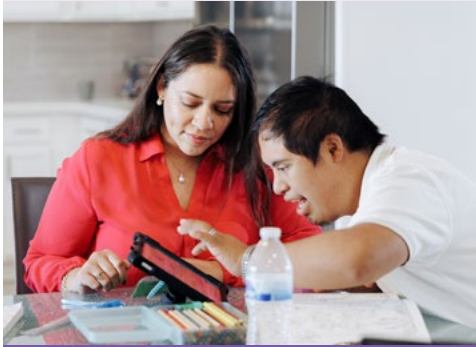

With gratitude,
Kate & Michael
